

ANNUAL ACTIVITY REPORT

Apart from the APPI Project, AWID has undertaken these activities from the period of May 2016 to April 2017.

1. Forming of SHG's: We had taken initiative to form SHG's for three villages namely Marem, Kuirei and Maramphung and each village has formed 4 SHG's. We encouraged our WinG Promoters to assert their rights and entitlements and now they have become empowered by themselves by forming SHGs and opening bank account and AWID is helping them constantly and through which they are also improving their livelihood status. We had Consultation Meeting from time to time. Therefore, so far we have formed 18 SHG's and we helped them opened the SHG's bank account. We assisted to some local women of forming SHG's and now formed as Ningrei SHG's.
2. We distributed winter Quilts through CASA, Imphal to women run Institutes such as Wungchon Girls Hostel, Grace Ministry, Credential Christian Academy, Ningrin Club Children Home and Alpha Children Hostel (Kachai).
3. Training on food processing: AWID has been taking up this activity continuously as its self sustainable activity since 2009 with our own contribution producing candies of different seasonally available local fruits like goose berries, plums, peaches, olives, figs etc. etc. and also we had given trainings to women and youth to sustain their livelihood. So far we had conducted two training.

compost pit making for using organic fertilizers, rain water harvest and also to educate of other people who are not aware the cause of climate change.

4. We conducted two day Workshop cum Training on Women and Climate Change, which was sponsored by DHP, Imphal at AWID office for women leaders. In this workshop woman leaders from different localities of Ukhrul District with the objective to aware women to take up more environmental friendly activities such as trees plantation,
